"The Truth About Credit Restoration"

There is no "magic wand" that can be waved over your credit files to make years of bad credit "disappear" overnight. Our process of legal credit restoration focuses on the inaccuracies, misstatements and misleading information on your credit reports and this requires time, diligence, persistence and patience. The good news is, however, that most of our clients obtain excellent results within the first 30 days.

Our Credit Restoration Program is one of the most aggressive and successful in the industry.

- Unlimited Disputations.
- Creditor Validation Letters.
- Creditor Account Validation Forms.
- Lawful Notices/Letters of Demand.
- 24/7 Internet Client Account Monitoring.
